Inspection Items

Irrigation Lines

Displayed wording for selections:

Customer Acknowledges: Customer understands and acknowledges that Absolute Aluminum will not handle anything to do with sprinklers/lines etc. and that it is the customer's responsibility.

Bushes

Displayed wording for selections:

Customer Acknowledges: Customer understands and acknowledges their responsibility to ensure the work area is prepared and cleared of vegetation prior to our arrival. A minimum of 2 feet of clearance is required around the work area. Vegetation taller than 3 feet must be trimmed down to allow safe ladder placement and access.

Equipment

Displayed wording for selections:

Customer Acknowledges: Customer understands and acknowledges that Absolute Aluminum is not responsible for any damage to landscaping, sod, sprinklers, yard ruts etc. in work area. In some instances, we will hold off on your project during the rainy season to avoid severe damage to your yard. Re-sodding around foundation work is not included.

Site Prep

Draw payment

Displayed wording for selections:

Customer Acknowledges: Customer has received, understands and acknowledges the draw schedule and will submit payments accordingly.

Inspection Items (continued)
